Honorable Justices,

I would like to take a moment to request your approval of the requested changes outlined in Petition 20-09. While the COVID-19 pandemic forced us down the path of videoconferencing and other technological adaptations within the criminal justice system, it was through that pain that growth came. The criminal justice system has now realized the benefits and efficiencies that can be gained by harnessing these new tools. These tools can help us to better serve the entire criminal justice system efficiently, effectively, and in a cost conscious manner.

Please approve the changes outlined in Petition 20-09.

Respectfully,

***Christopher Botsch - Chief of Police***
