## Wisconsin Court Security Threat and Incident Report

- In compliance with SCR Ch. 68 -

### Instructions

This form should be completed following any threat or security incident involving court officials, court staff, court facilities, or court-related activities.

An incident is any adverse event that threatens court security or causes significant disruption to court functions. This includes, but is not limited to, threats to harm a person or property, disorderly conduct, physical assault, escape attempts, or any other serious situation that severely disrupts court activities or threatens personal safety.

This form should be used to report incidents that occur in or near a courthouse as well as threats/incidents that occur at a non-courthouse location, such as at a private residence, business, or public place. Threats posted online or communicated by phone should also be reported. This includes, but is not limited to, internet-based threats or threatening language posted on social media or other websites, and threats communicated by phone, voicemail, electronic mail (e-mail), text message, or by any other means of communication.

**How to complete the form:** In the section "Brief Description of Incident," provide a short but thorough description of the event. Include who was involved, what happened, and what the response/outcome was. Attach law enforcement reports or other supporting documentation if needed.

**When and how to submit:** This form should be submitted to the Office of Court Operations within 10 business days following an incident. Forms may be submitted via mail, fax, or email:
