You are hereby notified that the Court has entered the following opinion and order:

2013AP2701-CRNM State of Wisconsin v. Michel L. Wortman (L.C. #2012CF90)

Before Kloppenburg, P.J., Higginbotham and Blanchard, JJ.

In response to our previous orders, appellant's counsel informs us that she has concluded that a postconviction motion should be filed on one issue. Counsel also appears to propose that the appellant brief a second issue in this court while the postconviction motion proceeds. However, the proper procedure is to raise issues that do not require a postconviction motion by filing an appeal from the circuit court's eventual decision on the postconviction motion. *See* WIS. STAT. RULE 809.30(2)(j).

IT IS ORDERED that the no-merit report is rejected and this appeal is dismissed without prejudice.

IT IS FURTHER ORDERED that the time to file a postconviction motion is extended to thirty days from the date of this order.

Diane M. Fremgen
Clerk of Court of Appeals
