You are hereby notified that the Court has entered the following opinion and order:

2015AP1223-CR

State of Wisconsin v. Jeffrey A. Rynes (L.C. # 1988CF337)

Before Kloppenburg, P.J., Lundsten and Sherman, JJ.

By order dated April 11, 2017, we informed the parties that it appeared to us that this appeal is moot. We noted that, in this appeal, the State is challenging the circuit court's order permitting Jeffrey Rynes to conduct postconviction DNA testing, and that Rynes has asserted that the testing is now complete. We directed the parties to inform us within ten days if either party disagreed with our determination that this appeal is moot. We have not received any further correspondence from the parties.

Therefore,

IT IS ORDERED that this appeal is dismissed.
