You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

---

No. 2024AP1125-W      Brandl v. Schneider, L.C.# 2024CF198

On June 28, 2024, the court of appeals issued a decision denying the petition for writ of habeas corpus filed by petitioner, Alden J. Brandl, pro se. On July 5, 2024, Mr. Brandl filed a motion for reconsideration of the court of appeals' decision, and on July 12, 2024, Mr. Brandl filed a Notice of Appeal form regarding the court of appeals' decision. By order dated July 23, 2024, this court construed the Notice of Appeal form to be a timely but nonconforming petition for review and held the petition in abeyance pending action by the court of appeals on the motion for reconsideration.

On September 12, 2024, the court of appeals issued an order denying Mr. Brandl's motion for reconsideration. On September 16, 2024, this court issued an order directing Mr. Brandl to file a supplemental petition for review conforming to the requirements of Wis. Stat. §§ 809.62(2) and (4) by October 16, 2024. The order stated that failure to file a supplemental petition by that date would result in the summary dismissal of Mr. Brandl's petition. As of the date of this order, no supplemental petition has been filed. Therefore,

IT IS ORDERED that petitioner Alden J. Brandl's pro se petition for review is summarily dismissed. No costs.
