RE: Civil Jury Instruction Committee

Dear Chief Justice Abrahamson:

Thank you for your correspondence of December 8, 2011 asking the Civil Jury Instruction Committee to consider developing special materials to guide circuit court judges in the appointment of counsel for indigent litigants at government expense. I am no longer Chair of the Civil Jury Instruction Committee and serve as an emeritus member only. Judge Daniel Noonan is now the chair of the Civil Jury Instruction Committee. You have copied Judge Noonan, the other judges serving on the Civil Jury Instruction Committee and Scott Minter with your correspondence. I am certain they will consider your request at their next meeting scheduled for January 26, 2012. Thank you for forwarding this request for consideration by the Jury Instruction Committee.

Best wishes for a happy holiday season and good New Year to you as well.

Sincerely,

Lisa K. Stark
Circuit Court Judge, Branch 1
